STW Coordinator: CAROLE BURRELL

	School Initiative
Key Result Area connection (background)	• Preparing Yr 9 and Yr 10 students for work experience in the Construction industry by operating OHS Courses at school
Initiative outline	• To subsidise students who are unable to afford the cost of obtaining an OHS Certificate • A large number of students from DTHS follow employment in the Construction industry
Who supports and organises implementation?	• Careers Adviser / Head Teacher VET • Industrial Arts qualified examiner
Highlight student and/or school outcomes	• Many students gain apprenticeships and casual employment as a result of Work Experience. • Having their OHS Certificate opens many opportunities for students who are not academic.
2008 Enhancements	• Encourage more students, in particular Indigenous, Sudanese and Pacific Island students to obtain the certificate to enhance their job prospects (4 or 5 courses per year)
2008 Financial allocation being applied for (budget)	• $540 – to subsidise students in need through course cost and teacher relief • Funding applied for $540.00
